Meeting Minutes

- ❖ Cynthia Ferrari and Roberta Goodsen update the board regarding meeting with Desi about the drop in referrals for RAC. At that meeting discussion ensued regarding the possibility of combining the RAC with a Day Reporting Center. There was also discussion about moving the RAC to Belen during the week for 1 or more days. An office at Infinity is being provided for Roberta's use and Belen is anxious to have her there. After some discussion, the board decided to move the RAC to Belen for 2 days per week. There will be more investigation into the idea of combining the RAC and Day Reporting Center, but, that is a long term goal. The RAC in Belen will start next Monday. Roberta will be in Belen on Mondays and Tuesdays.
- ❖ Update on RFP: RFP will be issued mid to end February. Cynthia Ferrari has already started writing for the RFP.
- ❖ Meeting adjourned at 12:00 p.m.
