Meeting Minutes

❖ **Welcome and Introductions : by Judge Garcia**

- ❖ Presentation by GOC (Guardians of Children): Joseph Gallegos presented on this non profit organization for the kids. They have a court liaison. They can “adopt” youth that have had contact with the court. They accompany youth to the court hearing and keep in contact with them afterwards. They target abused kids for services. They have 28 chapters and looking to add 2 more chapters in the state. You don’t have to have a bike to join. They have training to interact with the child. April 5 is first annual run benefitting the organization and the youth they serve. They will start and end at Fat Sats in Belen. It is a free day for families to come out with their kids and have fun. There will be a raffle.

To become a member you must qualify first. It is \$25 for an extensive background check to join. They are basically just a support for the family. They are not allowed to meet with the child alone. Their goal is to support the child and the family. Questions and answers ensued. They will now, per Ruben’s request, attend some of their meetings to offer support to the families.

Co-chairs Ruben Barreras (RBarreras@lsschools.net) and Richard Romero (rrromero1955@msn.com)

Will be working with Ginny Adame on the after graduation pool party. It will be a luau. The parks department and the schools are committed. This will be May 23, 2014 graduation. The idea is to have it on Friday night around 9:00 or 9:30 to 2:00 am. They are working on getting food, DJ and activities. It is for all schools but seniors only. Belen is doing their own thing this year though. This year it will be for graduating seniors. They have thought of having drama team to help decorate. They want to pitch it to the juniors to help out. Ruben is pitching the idea to the parents tonight. We won't need a permit for the food if it is made there and it is not sold to people. Security is taken care of. Need chaperones from 9 to 2, or part of the time.
